

## ASSIGN YOUR DEVICE(S) TO VEHICLE(S)

4

If you have been given permission from the Account Owner, you can now assign device(s) to vehicle(s). From the app, select the vehicle(s) to which you will be assigning device(s). If you do not see a list of vehicles on the first screen, click the Vehicles tab in the Menu bar. Follow the screen prompts from your phone. A solid green light indicates successful pairing. Drive Safely!

## SET UP YOUR SELECTIVE DRIVE ACCOUNT

- 1 Once you receive a text invite from 714-733-2313, click on the link to be taken to your device's app store. Download and open the Selective® Drive app. [If you have not received a text yet, please contact your account owner]
- 2 Log into the app by entering your cellphone #. You will then enter a 6 digit passcode, which will be sent via text to your phone.
- 3 Enable Location Services to **Always Allow** and Bluetooth ON. The mobile app will inform you if they are currently ON or OFF. Account set up is complete.

Please note: The device includes a built-in USB port for charging your cell phone.
